3 - Corrective Action - school must continue choice, transportation, and supplemental services and take further corrective action.										
4 - Restructuring - school must continue choice, transportation, and supplemental services and develop a plan to restructure the school.										
5- Implement Restructuring Plan - school must continue choice, transportation, and supplemental services and implement restructuring plan.

99 - AYP Advisory - This is a new school that did not have MEAP data prior to 2005-06. This school is given an advisory status because data are not available for the safe harbor comparison or for multiple year averaging.										
Accreditation Grade:										
No Grade - Not enough data to calculate both Achievement Status Grade because school had fewer than 30 students tested.
